PURE RESEARCH MANAGEMENT SYSTEM

HOW TO ENABLE AUTOMATED SEARCH FOR PUBLICATIONS

OVERVIEW

Use this guide when you need to enable an automated search for publications.

PROCESS

STEPS

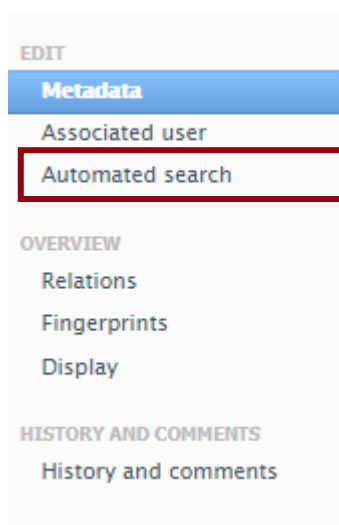

1. Go to <https://goto.mq.edu.au/myresearch> and log in with your OneID and password.
2. Click **Edit profile**

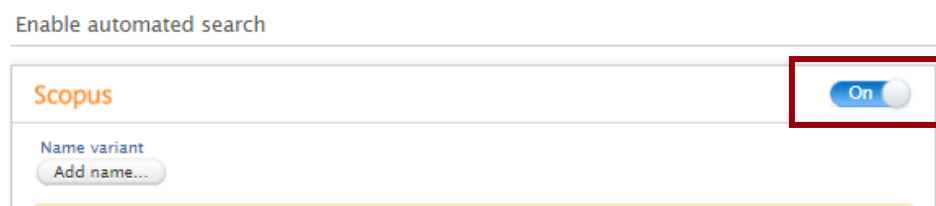

3. Profile data opens in a new window

4. Click **Automated search**

5. Turn on automated search for desired database (Scopus, for example)

6. Scroll to the bottom of the window and click **Save**
