CREATE, ADD AND LINK YOUR ORCID IN PURE RMS

OVERVIEW

This guide explains how to create, add and link your ORCID to the Pure Research Management System (Pure RMS).

An ORCID (Open Researcher and Contributor ID) provides a persistent digital identifier that distinguishes you from other researchers with a similar name. This ID ensures all of your research outputs are permanently attributed to you. It also assists others to find your research output.

2. Create your ORCID
3. Link the ID to Pure
4. Authorise Pure RMS to access ORCID records

STEPS

1. Go to https://goto.mq.edu.au/myresearch and log in with your OneID and Password.
2. Once logged in **Personal overview** page is shown.
